

# 2025 Switzer Environmental Fellowship

Graduate students in New England and California with outstanding leadership potential and commitment to environmental improvement are invited to apply. Fellowships include:

- A \$17,000 unrestricted cash award
- 2 multi-day leadership training and cohort-building retreats
- Lifelong access to other grant programs and career support
- Engagement with the Switzer Network, a vibrant community of 750+ environmental leaders in the U.S. and around the world
