

Save the Date: June 10th Community Forum

Join us for a special nature-inspired event to support your important work with children in early childhood care and education!

Community Forum: Creating, Enhancing and Sustaining Natural Outdoor Classrooms

**Saturday, June 10, 2023
9am to 12pm**

**Frick Environmental Center
2005 Beechwood Blvd, Pittsburgh, PA 15217
pittsburghparks.org**

Formal invitation with registration information to follow.

At this event:

- Learn about the latest resources and support available to you for creating and sustaining your natural outdoor classroom
- Connect with Nature Explore Classrooms and others in your area
- Discover ways to enrich your space and positively impact the children, families and educators you serve
- Receive more than \$100 in resources

For more information contact
Lana Gilson at **402.474.7966**
or lanag@natureexplore.org

Please note: Attending this forum meets the staff development requirement for certifying your Nature Explore Classroom.

This event was made possible by generous grant funding support from The Heinz Endowments.
