Conservation Connect is a new web-based video series that aims to connect youth, ages 10-14, with the great outdoors & conservation careers. Each episode will help students learn about wildlife, careers, and new technologies utilized to study and protect our wildlife and natural resources. Produced by the U.S. Fish & Wildlife Service at the National Conservation Training Center. Join us at: nctc.fws.gov/broadcasts to chat and meet with Conservation Professionals and Wildlife Experts LIVE! **Every third Wednesday of each month at 2pm ET.**
