

# Population Education:

## Science & Social Studies Activities for Global Citizenship

Professional  
Development  
Opportunity!

On **February 4, 2017**, come and join the **Cooper Center for Environmental Learning** and **Population Education** for an interactive, 2.5 hour **professional development workshop**. Understand global challenges and sustainable solutions through hands-on activities that utilize **real world issues** and **data**.

Explore **interdisciplinary learning strategies** that challenge students to make meaningful associations between individuals, communities, and global issues, while building **essential skills** in **social studies, geography, science, and math**. Presented activities use role-playing, representational models, group problem-solving, and simulation games to explore the **social and environmental impacts** of **human population growth**.

**Grade Level Focus:** K-8

**Subject Areas:** Math, Science, Social Studies

**Date:** Saturday, February 4, 2017

**Time:** 10:00 AM - 12:30 PM

**Location:** Cooper Center  
Acacia Classroom Building  
5403 W. Trails End Rd.  
Tucson, AZ 85745

**Cost:** \$10 General Admission (Ends 2/3/17)

**Registration:** Please register on Eventbrite by February 3, 2017.  
<https://coopercenter.eventbrite.com>

**Questions?** Contact Elizabeth Black,  
Professional Development Coordinator  
[eblack@populationconnection.org](mailto:eblack@populationconnection.org)

### Participants will receive:

- 2.5 hours of professional development training and a certificate of completion
- **A curriculum CD with over 60 full lesson plans aligned to state and national standards**
- Additional age-appropriate teaching resources and access to Population Education curriculum items

**Population Education** is the only national education program with a strong emphasis on human ecology.

**The Cooper Center for Environmental Learning** provides adventurous and hands-on learning experiences in the Sonoran Desert for Tucson area teachers and students.

**POPULATION EDUCATION**  
*A program of Population Connection*
