

eeVAL 3.0

Supporting culturally responsive
and equitable evaluation (CREE)
in environmental education

Join us for a 4-part Virtual Learning Series

Thursday, March 23 | 12:30pm Eastern
Thursday, April 13 | 12:30pm Eastern
Thursday, May 11 | 12:30pm Eastern
Thursday, May 25 | 12:30pm Eastern

Register Here:

bit.ly/eeVALVirtualLearningSeries

Register once to be able to attend all 4 events

The eeVAL project is about building capacity and community to create more just, inclusive, and healthy partnerships, programs, and communities. In this series we will dive into the values and practices that can build a foundation for culturally responsive and equitable evaluation in your program(s). We welcome educators, program designers, coordinators, evaluators, and funders with diverse perspectives and experiences to join the eeVAL network.
