

# The Whale Museum 2022 Virtual Marine Naturalist Training Program

## Summer Session Dates:

July 28, 29, 30, 31-day off & August 1, 2, & 3, 2022

The Whale Museum's Marine Naturalist Training Program will enhance your opportunity to work as a naturalist or take advantage of volunteer opportunities. Presentations will include detailed information on the orca whales and other marine mammals and seabirds of the Salish Sea. Hands-on learning and field identification will be emphasized. Clock hour credits are available. Instructors are Whale Museum staff, regional professionals, marine scientists and environmental educators. For interested MNTTP participants, for an additional fee, a weekend of in-person field trips here on San Juan Island will be planned for a later time (details to be announced later). For more information, contact: Tracie Merrill at [tracie@whalemuseum.org](mailto:tracie@whalemuseum.org) or (360) 378-4710 ext. 23.
